

MWG PUBLISHES SUSTAINABILITY REPORT

05/04/2024

ESG

Environmental - Social - Governance

On April 22, 2024, MWG officially released its **Sustainability Report 2023**. The report demonstrated its competitiveness, creativity, and ability to adapt to new development trends while also improving its model and operational strategy to become more responsive to new opportunities without overlooking the increasingly stringent requirements for ESG sustainability factors.

Through transparent and responsible reporting following **the standards of the Global Reporting Initiative (GRI)**, MWG's report includes information related to its **direction, 4G strategy, approach to sustainable development issues, management methods in key areas, and the results achieved by MWG in the past year**. It also outlines the group's orientation for the 2024-2030 period regarding ESG aspects.

Bach Hoa Xanh signs a strategic partnership with Minh Phu Seafood Corp to distribute export-standard shrimp at all Bach Hoa Xanh stores

Thanks to this strategic partnership, Bach Hoa Xanh officially distributes shrimp lines that meet the export standards of Japan, the United States, and the European Union (EU), which are raised in an environment free of antibiotics and chemicals. As a result, Bach Hoa Xanh continues to provide consumers with safe and high-quality food sources.

Earth Day 22/04 PLANET VS. PLASTICS

“Call for the end of plastics for **the sake of human and planetary health**, demanding a **60% reduction in the production of plastics by 2040** and an ultimate goal of building a plastic-free future for generations to come.”

On April 9th and 10th, at MWG headquarters, a Humanitarian Blood Donation activity will be organized. This is an opportunity for each MWG employee to demonstrate compassion and contribute to saving the lives of many patients. In addition to its profound humanitarian significance, this activity is an occasion for MWG employees to foster solidarity and carry out noble deeds together.

Detailed information and registration instructions will be sent through internal communication channels in the coming days.

Do you know?

In the context of facing **numerous challenges regarding electricity supply**, the Government has issued directions to **maintain stable energy security, sustainable development, and economic growth** of the country in the foreseeable future.
