

MWG LAUNCHES ESG E-LEARNING TO EMPLOYEE

10/05/2024

ESG

Environmental - Social - Governance

E-LEARNING PHÁT TRIỂN BỀN VỮNG ESG

- Đóng góp ý tưởng về ESG
- Chứng nhận hoàn thành khoá học
- Trang bị Kiến Thức Xanh, Kỹ Năng Xanh
- Học mọi lúc mọi nơi

TẢI APP XWORK <https://app.tgdd.vn>

Aiming to equip employees with knowledge and raise awareness about ESG (Environment, Social, and Governance), creating opportunities for employees to join hands and contribute to meaningful projects about Environment and Social, MWG launches **ESG E-Learning**. The lessons cover many aspects of climate change, green skills, and an ESG idea contribution channel.

60% of surveyed businesses admit to a "lack of ESG knowledge" when implementing Sustainable Development
